Welcome to the 21st ***Excellence in Services International Conference!***

Known in the past as *Toulon-Verona Conference*, the Conference was rebranded in 2017 for its 20th anniversary to highlight Excellence in Services as the peculiar research field of the Conference.

Both academics and practitioners are welcome to discuss current issues, exchange information, knowledge and experiences across the various domains of services.

Participants will find the opportunity to present their studies in a friendly and informal atmosphere.

We invite authors to submit their papers from all relevant areas of focus of the Conference.
